TITLE OF ORDINANCE Ordinance for Washington Center Road AnnexationDEPARTMENT REQUESTING ORDINANCE Community Development & PlanningSYNOPSIS OF ORDINANCE Ordinance annexes said territory to the City of Fort Wayne.

The annexation area contains approximately 160 acres and is bounded on its southern side by the City. The basis for annexing this area is the provision of state law that allows the annexation of an area if at least one fourth ( $\frac{1}{4}$ ) of its aggregate external boundaries border the City's and that it is needed and can be used by the City for its development in the reasonably near future.

EFFECT OF PASSAGE Described territory will become part of the City. In addition, annexation will expand the City's tax base and will allow the City to keep pace with urban growth.

EFFECT OF NON-PASSAGE The area will not become part of the City.

MONEY INVOLVED (Direct Costs, Expenditures, Savings) To be explained by the Fiscal Plan, which will be prepared by the Department of Community Development & Planning.
